HAMPTON, February 20, 1904.

Mr. Loring having received an offer at a larger salary than we can afford to pay necessitated a change of Principal. We regretted to part with Mr. Loring.

He was an erudite scholar, and a faithful and industrious teacher. But we congratulate the Town and ourselves on having secured the present Principal.

Mr. Mitchell is also an excellent scholar and a successful disciplinarian.

The recitations are very good, and the order can scarcely be better. The school fully maintains its high standard of proficiency.

Miss Cole is a most valuable assistant, and her place in the school would be very difficult to fill. The number of pupils continues quite large.

Some change in the course of study is contemplated which will increase the practical value of the school.

We congratulate the town on the high standing and excellent condition of the Academy.

We shall have to ask for the usual appropriation, which we doubt not will be cheerfully granted; for from past experience we know that the town will do nothing to cripple or close the High School.

For the Committee,

J. A. ROSS, CHAIRMAN

HAMPTON, FEB. 10th, 1904.

Report of School Board.

GRAMMAR AND PRIMARY SCHOOLS.

GRAMMAR SCHOOL,	{ Mrs. W. T. Ross Miss M. E. Bemis
CENTRE PRIMARY,	{ Miss Flora Y. Joplin Miss Alice Adams
EAST PRIMARY,	Miss Annah Gookin
NORTH PRIMARY,	Miss Etta C. Blake

The schools have retained the same teachers as last year with two exceptions.

Mrs. W. T. Ross, teacher in the Grammar school resigned at the end of the spring term, and Miss M. E. Bemis was engaged for the new school year. The work of the term was well done.

Miss Flora Y. Joplin also resigned at the end of the spring term and Miss Alice Adams took charge of the work with good results.

The West Primary school was taught by Miss Addie C. Marston through the winter and spring terms and owing to the removal from town of all but one scholar, the Board decided to close the school.

We are pleased with the interest shown by teachers and scholars in all the schools, also with the good work which has been done through the school year. We would ask all the parents to visit the schools each term and know what is being done by teachers and scholars.

The following is the list of books used :

Baldwin's Reader
 Supplementary Reading, Judson's Young America.
 Frye's Geography.
 Wentworth's Arithmetic.
 Colburn's Mental Arithmetic.
 McMaster's History.
 Barnes' History.
